Missions Committee Missionary Selection

Each year, Conway First United Methodist Church supports a missionary serving somewhere in the world through The Advance, a mission-giving program of the United Methodist Church.

This year, we invite you to be part of the decision-making process! Our Missions Committee has prayerfully reviewed several active United Methodist missionaries serving through Global Ministries. From among these faithful servants, we've identified two outstanding individuals for your consideration. Now, we ask you — as part of our church family — to help us discern whom we will support this year through prayer, encouragement, and financial giving.

Please take a moment to learn about these missionaries, pray for them, and let us know your choice by scanning the QR code to the left.
